SUMMARY OF THE REASONS FOR DECISION:

The publication is an Australian magazine presenting explicit sexual material for male readers, such as photographs and stories depicting sex acts in graphic detail. It contains stories which describe sexual coercion in erotic language, and advertisements which depict and describe urination. The publication tends to support the use of coercion to compel persons to submit to sexual conduct; and promotes and supports the use of urine in association with sexual conduct. It is therefore classified as objectionable under s.3(2)(b) and 3(2)(d) of the Films, Videos, and Publications Classification Act 1993.
